## PART - II

### INITIATIVES TAKEN BY THE GOVERNMENTS IN VARIOUS SECTORS

<b>1. SOCIAL SECTOR</b>	<b>121</b>
• Children's Right To Protection – Emerging Structures And Mechanisms	121
• Awas Yojana	122
• JNNURM: serving the urban poor	124
• International Literacy Day	124
• Expenditure on holding elections	124
• Quotable Quotes Of Mahatma Gandhi	125
• Legal Aid Clinics Scheme	125
• Citizens right to grievance redress bill 2011	126

• Empowering the workers	126
• Empowering the adolescent Girls – Sabla	128
• Backward Regions grant Fund	128
• National Policy on Narcotic Drugs and Psychotropic Substances	129
• Improving the Justice Delivery System in the Country	130
• Healthy mother and healthy child ensuring zero expense deliveries .....	130
• Disabled Get Social Justice	131
• Drug abuse – a holistic approach	133
• Tackling the backlog of cases in the courts	133
• The right of every child: the right to education	134
• Strengthening secondary education	135
• Communal harmony	135
• Water security in rural area	136
• MGNREGA	137
• E -Panchayat- an innovative way for enhanced working	138
• E-governance initiatives-changing lives for the better	139
• Indian education: looking ahead Education	141
• National urban sanitation policy	142
• Swabhimaan: a unique financial inclusion initiative	143
• Women and children welfare schemes: breaking new frontiers	143
• Pre-conception & pre-natal diagnostics techniques act, 1994	144
• Making contract labour act more worker friendly	145
• Bridging rural-urban divide through ICT for better life in rural communities	146
• Need to regulate Indian surrogacy industry	147
• NFCH for promoting communal harmony proactively	148
• Rajiv Gandhi national drinking water mission - a success story	149
• Population stabilisation- the way ahead	150
• Rehabilitation of manual scavengers	150
• In pursuit of increasing employment and employability of women	151
• E-office for effective and transparent governance	152
• POCSO act – providing child-friendly judicial process	152
• Pradhan Mantri Swasthya Suraksha Yojana	153
• Schemes & facilities for the senior citizens	154
• Swarna Jayanti Shahari Rozgar Yojana	155

• Urban women self-help programme (uwspp)	156
• National service scheme	157
• Direct benefits transfer: timely and quick transfer to beneficiaries	157
• Rashtriya Bal Swaasthya Karyakram A New Preventive Health Care Initiative	159
<b>2. FINANCIAL SECTOR</b>	<b>161</b>
• Tourism in India: an overview	161
• External debt: definitions and concepts	161
• Public expenditure reforms	163
• Design clinic scheme – frequently asked questions	164
• FDI in multi brand retail	165
• Improving road transport	166
• Telecom sector – growing from strength to strength	167
• E-procurement system for transparent governance	167
• PSES - performance overview	168
• Indian agriculture prepares itself for a new phase	168
• Infrastructure debt fund	169
• Aviation	170
• New and innovative schemes for technology development of Msmes	171
• Jago Grahak Jago' – An Initiative Towards Consumer Education .....	173
• Revised series of wholesale price index (base 2004-05=100) to reflect....	175
• Market information at farmers' fingertips: a new initiative by NABARD	176
• Sericulture for developing the rural economy	176
• Tapping the huge potential of food processing sector	177
• Building corridors - fuelling growth - DFC carrying India to new height	178
• Eastern regions to become the food bowl of the country	178
• Financial inclusion to bring every household in banking ambit	179
• Status of saving and investment in India	179
• Some Steps to Boost Retail Investors Participaation	180
• Achievement & Technology demonstration of ICAR	181
• Status of manufacturing growth in India	183
• Delhi Mumbai Industrial Corridor (DMIC) Project	184
• Foreign Direct Investment (FDI) Policy	185
<b>3. ENERGY SECTOR</b>	<b>186</b>
• Solar cities on the anvil	186

• R-apdrp: giving new heights to power reforms	186
• Improving energy efficiency	187
• RGGVY: turning the wheel of rural india	189
• Ultra mega power projects	189
• Biomass - a storehouse of clean energy	190
• Wind energy: a nature's bonanza for eternity	191
• Tapping energy from small hydro power projects	191
• Deriving energy from waste	192
• Hydrogen: energy of the future	193
• Bio-diesel – an eco-friendly fuel	193
• Solar India	194
• Nano Mission - towards global knowledge hub	195
• Green economy	197
<b>4. ENVIRONMENTAL SECTOR</b>	<b>197</b>
• Western Ghats: challenges of sustainable development	198
• Protecting biodiversity of the eastern ghats	199
• Organic farming in India	201
• Mangroves for the future	201
• Green productivity for sustainable energy and environment: need of .....	202
• Impact of black carbon on climate	202
• Green India mission – a way to enhance eco-systems	203
• Green India mission' to increase forest cover	204
• National green tribunal	204
• Celebrating biodiversity	205
• NEMMP 2020: a wise investment for our future generations	207
• Thanjavur Veena & G.I.	208
• Tiger Population in India	209
• Nuclear power is our gateway to a prosperous future	211
<b>5. SCIENCE &amp; TECHNOLOGICAL SECTOR</b>	<b>211</b>
• Research & development in nanoelectronics: India getting ready to ....	212
• Science & technology in pursuit of excellence & social development	213
• Improving forecasting services	213
• Nasa confirms Chandrayan's discovery of water on moon	214
• Traditional knowledge digital library (TKDL) – an effective and .....	215

• Isro's successful mission	217
• C-band polarimetric doppler radar- better	218
• Some facts about India's defence technology	220
• NCAOR: the Indian gateway to polar regions	221
• Biotechnology information network	222
• International conference on chronic hypoxia: an overview	223
• Largest solar telescope in the world	223
• Telecom Sector in India	224
• Dornier - 228 Surveillance Aircraft	228
<b>6. OVERSEAS INDIAN</b>	<b>230</b>
• India and AARDO in search of new horizons	230
• Initiatives for overseas Indians	230
• Indian peacekeepers in north kivu province, Congo	231
• Mahatma Gandhi Pravasi Suraksha Yojana (MGPSY)	232
• Welfare schemes for Indian diaspora youth	233
